

It's A Florida Network "NUDGE"

Mission:

The Florida Network values young people and therefore creates safe pathways to their future by building strong families and communities

Vision:

Florida will be a safe place where all young people reach their full

As we approach the legislative season, have you made a telephone call or a visit to a local legislator?

Remember to telephone the office to schedule your appointment in advance. During this conversation explain that you are a constituent and you would like to meet with the legislator or a staff member who handles children, youth, and family issues or appropriations. Once you have the appointment:

- ◆ Be sure to include both youth and adults in your visit.
- ◆ Invite a Florida Network member from your area to attend, team up and form a coalition.
- ◆ Know your legislator. Be able to relate and prepare to have a conversation about familiar topics, a recent event, or possibly family.
- ◆ Know the issues and keep your message simple.
- ◆ Anticipate questions and bring handouts.

Now, if you have not made that telephone call, MAKE IT! IT'S IMPORTANT!
